WORKING PAPERS

- [Piercing the “Payoff Function” Veil: Tracing Beliefs and Motives](#). (with G. Gallipoli and Y. Halevy). Revision requested by *Journal of Public Economics*.

WORK IN PROGRESS

- The Race to the Bottom. (with G. Gallipoli and Y. Halevy).
- Conditional Cooperation as an Informed Choice.

GRANTS

- SSHRC Insight Development Grant, Identifying Rules of Thumb in Consumption and Saving Decisions (PI; co-applicants: L. Petersen, Y. Halevy), 2019–2021. Total: \$74,162.
- University of Ottawa Research Startup Funds (PI), 2020–2026. Total: \$30,000.
- Learning Futures Fund (Co-PI), 2024–2025. Total: \$13,600.
- University of Saskatchewan President’s SSHRC (PI; co-applicant: L. Petersen), 2017–2019. Total: \$7,000.

TEACHING

University of Ottawa: ECO 2144 Microeconomic Theory I (multiple offerings 2020–2026); ECO 6900 Selected Topics in Economic Theory—Experimental Economics (2020, 2022–2025); ECO 7924 PhD Microeconomic Theory II (2022–2026).

University of Saskatchewan: ECON 211 Intermediate Microeconomics; ECON 304 Introduction to Empirical Economics; ECON 470/870 Behavioral/Experimental Economics.

ADVISING & SUPERVISION

Mackenzie Stewart (MA student, University of Ottawa), *Risk Preferences and Optimization Behaviour Under Complexity* (ongoing).

Cristi-Anna Durudola (PhD committee), *The Influence of Information and Social Support on Consumption of Vitamins: Evidence from Canada* (ongoing).

Qian Ding (MA non-thesis, supervisor), *How Gender Stereotypes Block Women’s Career: Helping Behaviors* (2018).

Tanzir Khan (MA non-thesis, supervisor), *Heterogeneity and Focal Points in Public Good Games* (2017).

Dazhuo Wei (MA non-thesis, supervisor), *Learning-to-Forecast: Various Prediction Patterns* (2017).

SEMINARS & CONFERENCES (SELECTED)

2026 UC Davis Department of Economics Seminar.

2025 OECD/INFE 23rd TC Symposium (Invited); Bank of Mexico (Directorate of Financial Stability) Seminar.

2024 Workshop on Theoretical and Experimental Macroeconomics (Singapore).

2023 ESA International Meetings, Charlotte.

2022 ESA Santa Barbara; JILAEE (Latin American Experimental Economics Conference); Carleton University Seminar.

2017–2020 ESA Annual Meetings (multiple years); SITE Experimental Economics Session; CEPR/WEHIA Workshops; UC Davis Experimental Seminar; SFU Seminar; Canadian Economics Association Annual Meetings.

PROFESSIONAL SERVICE

Referee: JPE Micro, Journal of Economic Theory, JEBO, JEDC, Games and Economic Behavior, International Economic Review, Experimental Economics, Canadian Journal of Economics.

Departmental: Co-chair, Seminar Series (2021–present); Co-chair, Brown Bag (2023–present).

Organizer/Co-organizer, Behavioral/Experimental Economics workshops (2020–2023).
